Please arrange for someone from your school to time the games and advise the umpires (if required) – <i>can be a student</i>. Please have teams at the courts ready to play on time.</p>
Scoring System	We will NOT be creating a ladder or overall winner. Please remind students Gala Days are for fun, teamwork and exposure to the sport. This is an opportunity for many to play a team sport and learn the game of netball.

Umpires	Schools will need to be able to umpire their games. This does not need to be at Club Level - more playground level. Many of the students are new to the game and still learning.
Facilities	Students must use the toilets and drinking taps located next to the Multipurpose area (see map). Drinking taps can be found near the netball courts. Remind students to respect the facilities provided for us.
Jewellery & Nails	No earrings, watches or chains are to be worn while playing, apart from medical jewellery which must be taped. Please remind students about the length of their nails. School staff are to monitor this.
Teams	Teams are to consist of seven (7) players on the court with unlimited subs.
Behaviour	<p>Behaviour expectations for students will be same as school expectations - demonstrate good sportsmanship, teamwork, no inappropriate language or abuse. Students are to stay in their areas if they are not playing (not wandering the school grounds). Rubbish in the area needs to be placed in bins and the area left clean and tidy.</p> <p>Please note parents are welcome to come and watch, however will be reminded not to interfere with the games and referees. Referees have final say on the game and parents will be reminded that these Gala days are a learning opportunity for all involved rather than a district level or club event.</p>
