Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Conduct fortnightly Teaching and Learning Cycle (TLC) meetings with Principal, Deputy Principal, Master Teacher, Support Teachers and teacher teams to:
  - Review and analyse student data in Reading to inform differentiation and next teaching and learning cycle.
  - Monitor student improvement through a data wall, classroom walkthroughs and data audits each term.
  - Re-assess teaching strategies, intervention and programs to align with current student data.
- Review current whole school Reading Program to ensure consistency of curriculum and teaching practices from Prep to Year 6.
- Implement quality and timely intervention to students to improve reading outcomes.
- Provide teachers with coaching opportunities to improve teachers’ reading pedagogy.
- Conduct Case Management Meetings every term with teachers, to discuss students who are not progressing well in reading
- Conduct data audits with every teacher to analyse reading data and attendance data and plan to improve student learning.
